

# **Key Stage 2 SAT results 2017**

## **Average Points Scores**

Reading – 104

Mathematics – 104

Spelling, Grammar and Punctuation – 107

100 is deemed by the Government to be the National Average and indicates a pupil has met the expected standard.

## **Pupils working at greater depth**

English – 25% of pupils working at greater depth

Mathematics – 25% of pupils working at greater depth

Spelling, Grammar and Punctuation – 50% of pupils working at greater depth

The Government indicate that a score of 110 or above indicates that a pupil is working a greater depth in a subject, significantly above National expectations.

In 2016, the National average for this level of attainment was 5%
